Things to keep in mind while working and interacting with me

- Please stay at a distance from me as I need my personal space
- Greet me with a high five
- Do not force me with eye contact
- Please be punctual
- Ask me to repeat slowly if you don't understand what I say
- Let me know of any change in routines before hand
- Give me space and some me time when I am anxious
- Model and show me as I learn well that way
- Water helps me keep calm and also listening to music
- Give me simple clear instructions

THANK YOU
