

Varun's Delights

Varun Naren is a multitalented young adult with an infectious smile and a great sense of humor. He is an artist-making caricatures, doodles, cartoons, sketching, painting. He is a baker and a chef. Besides this, he is now learning photography, coding, enjoys singing and dancing. He loves listening to all genres of music. He is a teacher at heart wanting to impart his knowledge to others by conducting teaching workshops on baking and doodling.

He is an entrepreneur, selling his bakery items under the label "Varun's Delights" and his creative products under the label "Varun's Creations".

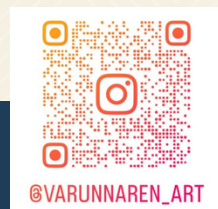

He is a fun guy and is compassionate too.

He constantly likes to learn new things and is diligent and hardworking.

He is also diagnosed with fragile X syndrome, a genetic disorder, a single gene cause of autism.
